

# REGION III - MCI PROCEDURES

## EMS COMMAND

SENIOR EMT ON FIRST ARRIVING EMS UNIT. SEE \*\* BELOW

**DO NOT BECOME INVOLVED IN PATIENT CARE. ACTIVATE MCI PROCEDURES AS FOLLOWS**

1. Locate and identify yourself to INCIDENT COMMAND (IC). Request location for EMS OPERATIONS AND COMMAND.
2. 2nd EMT assumes role of TRIAGE GROUP LEADER, enters active scene only after clearance from IC.
3. Together, EMS COMMAND and TRIAGE GROUP LEADER quickly determine NUMBER OF VICTIMS and NATURE OF INCIDENT.

### Determine Phase of MCI

PHASE:

### EMS COMMAND PROCEDURES:

#### MCI ALERT

#### FOR A POTENTIAL OR UNCONFIRMED MCI

1. CONTACT CMED when at the scene of a potential MCI or while enroute.
2. CMED alerts surrounding EMS Services and Hospitals to "Possible MCI."

#### PHASE I MCI

#### REQUIRES AT LEAST 3 AMBULANCES

1. Contact own Dispatch to request additional units to respond.
2. CONTACT CMED, identify unit calling, advise of incident. (See \* below)
3. Request HOSPITAL ASSIGNMENTS when readied for transport.

EMS COMMAND TO MANAGE ALL EMS BRANCH ACTIVITIES

#### PHASE II MCI

#### REQUIRES AT LEAST 5 AMBULANCES, INITIATE CMED MUTUAL AID

1. CONTACT CMED, identify unit calling, advise of incident.
2. Receive radio frequency assignment from CMED, STAY ON CMED FREQ.
3. REQUEST MUTUAL AID FROM CMED, state number of EMS units needed, and Staging Area.
4. Request HOSPITAL ASSIGNMENTS when readied for transport.

EMS COMMAND DESIGNATES:

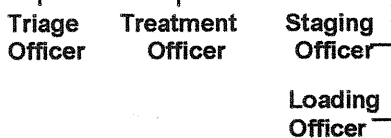

#### PHASE III MCI

#### REQUIRES AT LEAST 10 AMBULANCES, INITIATE CMED MUTUAL AID

1. CONTACT CMED, advise of incident, receive radio frequency assignment.
2. REQUEST MUTUAL AID FROM CMED, state number of EMS units needed and location of Staging Area.
3. STAY ON ASSIGNED CMED FREQUENCY. ALL EMS communications are to be conducted with CMED ONLY.

EMS COMMAND DESIGNATES:

#### FOR ALL PHASES -

◆ the following information is needed by CMED as soon as possible:

1. Location of Incident, Type, and Hazards
2. Number of victims (estimate)
3. Identify and location of EMS Command
4. Location of Ambulance Staging Area

\*\*THE MUNICIPALITY'S FIRST ARRIVING PARAMEDIC OR EMS SUPERVISOR WILL EVALUATE EMS COMMAND. IN NECESSARY, THE PARAMEDIC OR EMS SUPERVISOR, WITH INCIDENT COMMAND'S APPROVAL, WILL ASSUME THE ROLE OF EMS COMMAND.
